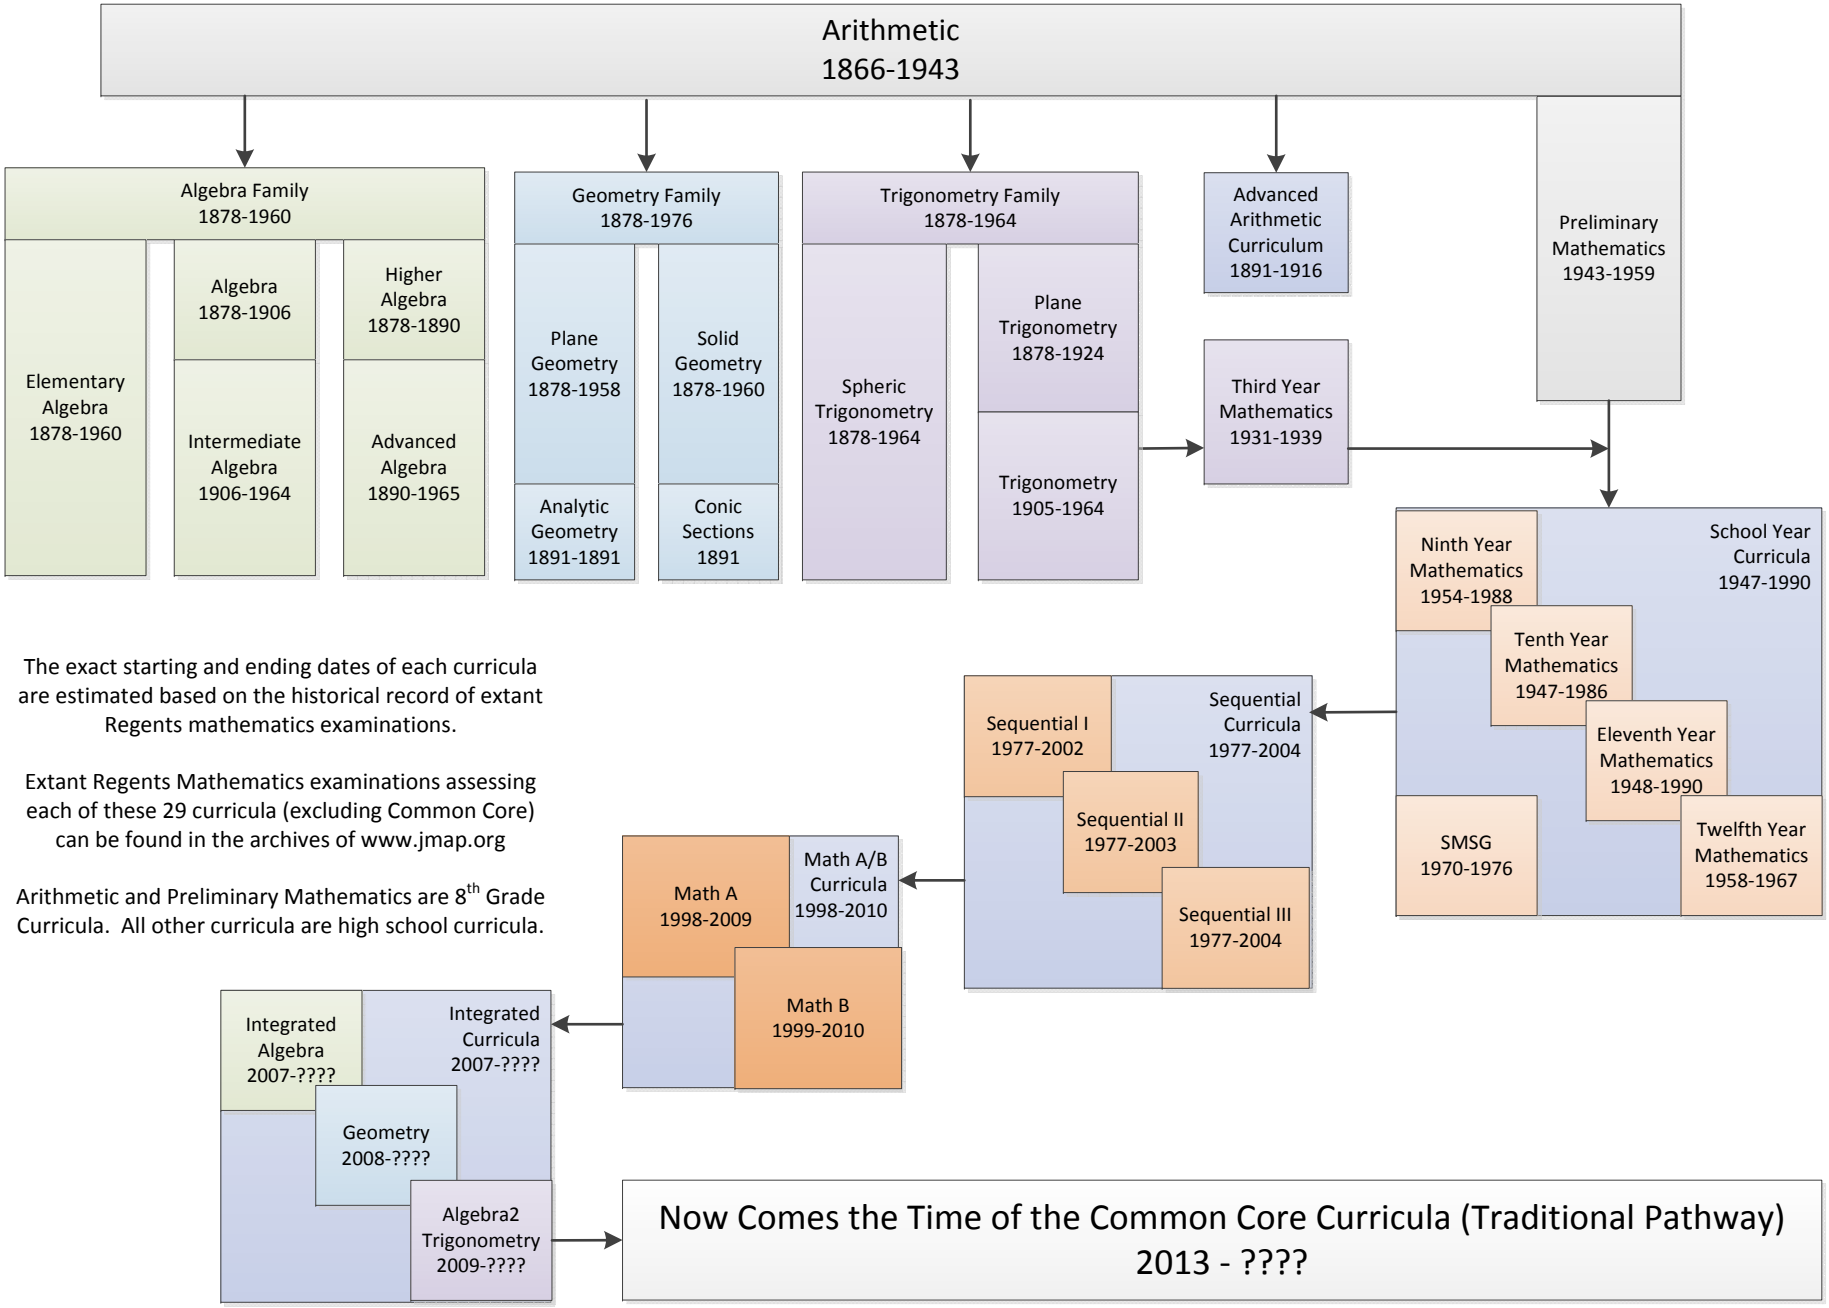
A GENEALOGY OF 30 NEW YORK STATE PUBLIC SCHOOL MATHEMATICS CURRICULA FROM 1866 TO 2013



The exact starting and ending dates of each curricula are estimated based on the historical record of extant Regents mathematics examinations.

Extant Regents Mathematics examinations assessing each of these 29 curricula (excluding Common Core) can be found in the archives of www.jmap.org

Arithmetic and Preliminary Mathematics are 8th Grade Curricula. All other curricula are high school curricula.
